

most devoted!

I trust therefore, that before  
you leave the States your  
wife will be able to pay over a very early  
visit where you & yours have not  
received a warm welcome  
from me in my old &  
my present home, & I shall arrange  
for you to do it to see, & to say & to  
hear all that goes with!

Hoping to hear from you

some I to talk over with you  
the other two I have present,  
please me to remain,

Dear Sir,

yours very truly,  
Henry Corporation
